

WEBSITE PORTFOLIO

Who Am I?

:____Name, Major, College, Year in college, Experience, What I want to do at work, Hobbies

Engineering Work Experience:

:__Acuity Polymers: Feb – Aug 2021: Summary

:__Jabil: July – Jan 2022/2023: Summary

Skills:

:____Programming

-__Python

-__G-code

-__HTML

-__J-Script

-__MATLAB

-__RoboStudio

-__RoboGuide

:____C.A.D.

-__Solidworks

-__Creo

:___MS Office

:___Engineering Softwares

-Mastercam

- EES

- FEA

Automation Studio

Certifications:

:__Fanuc Certified

:__Manufacturing Green Belt Certification

Categories to show projects:

:__Raspberry Pi/Programming

-__Created a Neural Network Framework from Scratch

-__Computer Vision Programming

-__Creating GUI for Car

:__Automation (FANUC and ABB)

-__Pick and Place Robot design Project

-__FANUC Assignment (with logic)

-__ABB Assignment (with logic)

-__Probing Project (Work)

- Mastercam Block cut (get better name)

: C.A.D designs/Projects

- Inspected Tray (work/ Creo)

- Raspberry Pi case carrier (Creo)

- Screwdriver with screwdriver bits (Solidworks)

- Air Engine (Solidworks)

: Design Project

- Automatic Disk Launcher

- Electro pneumatic automation?
